

# QE1200LD

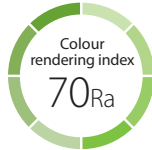

## Street head

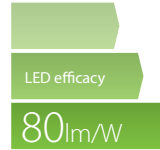

Standard case colour is white

Designed & Tested in the UK 

  
48 hrs  
testing on every  
QE Global light

  
Colour rendering index  
70Ra

  
LED efficacy  
80lm/W

  
IP65

Power factor conversion  
0.93  

### Other information

All our lights are ECA and Salix funding compliant.

Leasing options are available on all of our products.

### Suitable for use in:

- Car parks
- Highways
- Motorways

### Technical spec

LED quantity	2pcs
Lumen output	140W=11,200lm   160W=12,800lm   180W=14,400lm   200W=16,000lm
Input voltage	AC 85V to 265V   DC 12/24 (AC=In & DC=Out)
Frequency	50Hz to 60Hz
Power	140W   160W   180W   200W
Colour temperatures	2,700K   4,200K   5,000K
Beam spread	140°
Operating temperatures	-40°C to +55°C   -40°F to +131°F
Size	1,193mm x 425mm x 205mm (47in x 16.7in x 8.1in)
Main materials	Aluminium   Tempered glass
Diffuser options	Clear
Life span	50,000 hours
