

QE720LD

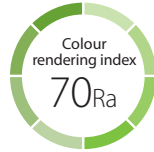

Street head

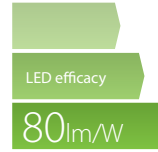

Standard case colour is white

Designed & Tested in the UK 

48 hrs
testing on every
QE Global light

Colour rendering index
70Ra

LED efficacy
80lm/W

IP65

Power factor conversion
0.93

Other information

All our lights are ECA and Salix funding compliant.
Leasing options are available on all of our products.

Suitable for use in:

- Car parks
- Highways
- Motorways

Technical spec

LED quantity	1 pcs
Lumen output	30W=2,400lm 40W=3,200lm 50W=4,000lm 60W=4,800lm 70W=5,600lm 80W=6,400lm 90W=7,200lm 100W=8,000lm
Input voltage	AC 85V to 265V DC 12/24 (AC=In & DC=Out)
Frequency	50Hz to 60Hz
Power	30W 40W 50W 60W 70W 80W 90W 100W
Colour temperatures	2,700K 4,200K 5,000K
Beam spread	140°
Operating temperatures	-40°C to +55°C -40°F to +131°F
Size	720mm x 324mm x 172mm (28.3in x 12.8in x 6.8in)
Main materials	Aluminium Tempered glass
Life span	50,000 hours
